

A Personalized Approach to  
Care-Giving

## Why Choose Us?

At EverCaring, we work collaboratively with our clients and their loved ones to meet their home care needs. We also involve physicians, social workers, therapists, case managers and other caregivers in our care delivery. We apply our philosophy of personalized approach to caregiving to each and everyone of our clients.

## Our Non-Discrimination Policy:

We provide services to all persons without regard to race, color, religion, creed, gender, nationality, disability, sexual orientation, age and marital status
